Offg. Inspector-General of Police in Mysore.

To

Chief Secretary to the Government of His Highness
the Maharaja of Mysore, General Department.

Sir,

768

With reference to Government Proceedings No.J.4076-7/Pol. 171-16-2 dated 16th May 1917 sanctioning the continuance of the Jui Jutsu Schools for a period of one year from the 1st July 1917 I have the honor to state that 6 Officers and 31 men were under training in all the three classes during the current year as detailed in the margin. The Schools at the Kolar Gold Fields and Tumkur had to be closed for some months during the year, the former for want of tarpaulins and the latter for want of tarpaulins as also on account of the prevalence of plague in the Town.

	Officers	Men.
Bangalore	4	13
Tumkur	.	10
Kolar Gold Fields.	2	8
Total	6	31

2. As regards the further continuance of these classes, after a careful consideration of the matter in consultation with the District Superintendents, I am of opinion that the benefit derived from these schools is not commensurate with the expenditure incurred on them. During the 8 years from 1910 to 1918 that these classes have been in existence 35 Officers and 140 men

have been trained in them, while the expenditure on the classes including equipment charges has amounted to Rs.9,144/- giving an average of about Rs.52-4-0 per head. I understand that many of the persons who underwent training have for want of practice and opportunity to exercise the art forgotton what they had learnt at the School. In the circumstances I think that the classes at the mofussil stations may well be abolished and that only one class well equipped and properly manned may be maintained as an adjunct to the Police Training School at Bangalore under the charge of the Principal of the School for the training of the students in the school as also such of the men as may be occasionally sent from the Districts for training. The total number of persons to be trained at the class at any time may be fixed at 25. The establishment may consist of a Chief Instructor on Rs.40+10 with two Assistant Instructors who may be borne on the staff of the District or Provincial Reserve at Bangalore and paid an allowance of Rs.7/- each for the work.

3. The students of the Police training school who attend the Jui-Jutsu class need not be paid any allowance. In the case of others an allowance of Rs.3/- may be paid to constables and Rs.5/- to Daffedars and other higher officers who come to attend the class from the mofussil.

4. The total cost of the proposed arrangement would amount to Rs.2000/- as against a sum of Rs.7,359/- now expended over establishment and allowance, resulting in a savings of Rs. 5,359/- per annum, as shown in the accompanying statement. If the above proposals are sanctioned a pukka shed will have to be put up in Bangalore for which a provision of Rs.1,750/- has been made already in the Budget.

5. I request accordingly that sanction of Government may be

kindly accorded for the abolition of the classes at Kolar Gold Fields and Tumkur with effect from 1st July 1918 and for the continuance of the class at Bangalore as an adjunct to the Police Training School for a period of three years with a recurring expenditure of Rs.2000/- per annum and an initial expenditure of Rs.1,750/- for the construction of shed.

I have the honor to be,

Sir,

Your most obedient servant,

Inspector General of Police.

Sir,

With reference to your letter No. G. 542/Pol.169-17-2 dated 12th instant, enquiring why the Bangalore Jui Jutsu School should not also be closed, I have the honor to state that the question of the physical education and training of the Police recruits that attend the Police Training School is engaging my attention that I want a Gymnasium to be attached to the School and that it has to be considered whether Jui Jutsu should or should not form a part of the training as a means of developing the pugilistic skill of the students and that it will take some time before I submit my proposal and that till then the question of the abolition of the Central School be deferred and that in the meantime, sanction may be given for the abolition of the schools at Tumkur and Kolar Gold Fields.
